ASISH PRODHAN

WEB DEVELOPER

I'm a Frontned Web Developer. I enjoy building clean, responsive designs. Currently working on small projects and learning React. I like turning ideas into simple, functional websites. When I'm not coding, I'm probably listening to music or getting lost in design inspiration.

EDUCATION HISTORY

DIPHU GOV. COLLEGE

BACHELOR OF COMMERCE (B.COM)

currently on 4th sem

SKILL

Frontned

HTML
CSS
Javascript
Bootstrap

Backned

Node. js
